- Natural pigments
- Allows the skin to breathe
- Sheer, even coverage
- Long-lasting color
- Contains nourishing moisturizers
- Defends against UV damage
- Fragrance free
- Talc free

Minerelles by Shaklee—what they're saying:

"I love high performance make-up...I am thrilled to say that Minerelles beats Bobby Brown [the make-up she used to use] hands down! They are high performance, blend well, the colors are right on target; using them is so much fun..." -Karen Hayden

"I had a problem with skin redness. Anything I put on my face would turn bright red...The Minerelles Foundation is so soothing to my skin—even when I leave it on over night. The next morning my skin feels better than before. After all these years, I can wear make-up again!" -Dag Sorge
